For reference, the Applicable Standard CUSC Objectives are:

- (a)** The efficient discharge by the Licensee of the obligations imposed on it by the Act and the Transmission License;
- (b)** Facilitating effective competition in the generation and supply of electricity, and (so far as consistent therewith) facilitating such competition in the sale, distribution and purchase of electricity;
- (c)** Compliance with the Electricity Regulation and any relevant legally binding decision of the European Commission and/or the Agency; and
- (d)** Promoting efficiency in the implementation and administration of the system charging methodology.
