

II Run for 01.01.2018 Suspended for Today

National Grid BSUoS Charging Circular

9th January 2018

This note provides information about how we have had to suspend today's planned BSUoS II charging run for the 01.01.2018 settlement day until Wednesday 10th January 2018 due to issues with standing data.

Key Information

During last night's billing simulation we identified an issue with standing data that would affect the latest II run due to be processed today. To preserve the accuracy of BSUoS charges for all customers we have been forced to **Suspend BSUoS charging calculations for the 01.01.2018 II settlement day** which were scheduled to be processed today, Tuesday 9th January 2018.

This run will now be processed on Wednesday 10th January 2018

Please note that this does not affect the other settlement days that were scheduled to be billed today, the runs listed below will be processed in the normal manner.
