

CUSC Amendment Proposal Form	CAP: 095
Title of Amendment Proposal: Removal of Operational Day Reference from Ex Post Publication of Response Information	
Description of the Proposed Amendment (mandatory by proposer): CUSC section 4.1.3.13A (c) – removal of the word “Operational” from the description relating to Ex Post publication of frequency response information.	
Description of Issue or Defect that Proposed Amendment seeks to Address (mandatory by proposer): The companion wording to CUSC amendment CAP047 directs that Ex-Post publication of mandatory frequency response information should be published on an Operational Day resolution (05:00 to 05:00). Ex-Ante submission and publication of response holding prices and response capability are to be submitted and published on a calendar day/month resolution (midnight to midnight). This proposal aligns the time frames of Ex Ante and Ex Post information by publishing all mandatory frequency response information to the market, as required under section 4 of the CUSC, on a calendar day basis (midnight to midnight).	
Impact on the CUSC (this should be given where possible): Remove the word “Operational” from CUSC section 4.1.3.13A (c) Remove the definition of Operational Day from CUSC section 11.3 (Definitions)	
Impact on Core Industry Documentation (this should be given where possible): None	
Impact on Computer Systems and Processes used by CUSC Parties (this should be given where possible): None	
Details of any Related Modifications to Other Industry Codes (where known): The concept of an Operational Day is introduced into the CUSC with the implementation of CAP047 on 1/10/05. It relates to the description of the new information reporting obligations this modification will introduce.	
Justification for Proposed Amendment with Reference to Applicable CUSC Objectives** (mandatory by proposer): By aligning Ex Ante and Ex Post information provision NGC will better facilitate CUSC objective (a) – The efficient discharge by NGC of the obligations imposed on it by the Act and the Transmission Licence.

Notes:

- Those wishing to propose an Amendment to the CUSC should do so by filling in this "Amendment Proposal Form" that is based on the provisions contained in Section 8.15 of the CUSC. The form seeks to ascertain details about the Amendment Proposal so that the Amendments Panel can determine more clearly whether the proposal should be considered by a Working Group or go straight to wider National Grid Consultation.
- The Panel Secretary will check that the form has been completed, in accordance with the requirements of the CUSC, prior to submitting it to the Panel. If the Panel Secretary accepts the Amendment Proposal form as complete, then he will write back to the Proposer informing him of the reference number for the Amendment Proposal and the date on which the Proposal will be considered by the Panel. If, in the opinion of the Panel Secretary, the form fails to provide the information required in the CUSC, then he may reject the Proposal. The Panel Secretary will inform the Proposer of the rejection and report the matter to the Panel at their next meeting. The Panel can reverse the Panel Secretary's decision and if this happens the Panel Secretary will inform the Proposer.

The completed form should be returned to:
