CAPO 66	Removal of Historic Transitional Provisions from Section 10	Removal of Paragraph 10.3.1, 10.3.2, 10.5, 10.6, 10.7, 10.9, 10.11, 10.12 and the Appendix	Removal of historic transitional provisions that no longer have any application.	Removal of Paragraph 10.3.1, 10.3.2, 10.5, 10.6, 10.7, 10.9, 10.11, 10.12 and the Appendix	None.	None.	None.	Proposed transitional paragraph's to be removed from Section 10 relate to transitional issues associated with the transfer from the MCUSA to the CUSC. The paragraph's no longer have any application and should therefore be removed. Removal of these provisions would also be beneficial in a GB context as it would remove any confusion between older transitional issues and any that may form part of the CUSC in contemplation of BETTA.

Notes:

- Those wishing to propose an Amendment to the CUSC should do so by filling in this "Amendment Proposal Form" that is based on the provisions contained in Section 8.15 of the CUSC. The form seeks to ascertain details about the Amendment Proposal so that the Amendments Panel can determine more clearly whether the proposal should be considered by a Working Group or go straight to wider National Grid Consultation.
- The Panel Secretary will check that the form has been completed, in accordance with the requirements of the CUSC, prior to submitting it to the Panel. If the Panel Secretary accepts the Amendment Proposal form as complete, then he will write back to the Proposer informing him of the reference number for the Amendment Proposal and the date on which the Proposal will be considered by the Panel. If, in the opinion of the Panel Secretary, the form fails to provide the information required in the CUSC, then he may reject the Proposal. The Panel Secretary will inform the Proposer of the rejection and report the matter to the Panel at their next meeting. The Panel can reverse the Panel Secretary's decision and if this happens the Panel Secretary will inform the Proposer.

The completed form should be returned to:

Richard Dunn

Panel Secretary
Commercial Development
National Grid Company plc
National Grid House
Kirby Corner Road
Coventry, CV4 8JY
Or via e-mail to: CUSC.Team@uk.ngrid.com

(Participants submitting this form by email will need to send a statement to the effect that the proposer acknowledges that on acceptance of the proposal for consideration by the Amendments Panel, a proposer which is not a CUSC Party shall grant a licence in accordance with Paragraph 8.15.7 of the CUSC. A Proposer that is a CUSC Party shall be deemed to have granted this Licence).

Applicable CUSC Objectives** - These are defined within the National Grid Company Transmission Licence under Section C7F, paragraph 15. Reference should be made to this section when considering a proposed amendment.
