

Black Start – Competitive Procurement Event SW and Mids

Summary of EOI submissions eligible for Invitation to Tender

1 May 2019

EOI: Summary of submissions

ESO is trialling a competitive procurement event for Black Start, to respond to our stakeholders' feedback to reduce and remove barriers to entry, increase transparency and introduce competition.

On 29 March 2019, we closed our request for Expressions of Interest, having received an overwhelming response from a wide variety of potential providers.
