

STCP Modification Proposal Form

PM074

1. Title of Modification Proposal *(mandatory field)*

Update STCP19-6 Issue 004 Application Fee

2. Description of the Proposed Modification *(mandatory field)*

This proposal seeks to improve the business process and provide clarity on how application fee data is provided to NGET.

3. Description of Issue or Defect that Proposed Modification seeks to Address *(mandatory field)*

The proposed changes seek to address the following areas:

- Simplify process in relation to the removal of the request for the advanced indicative application fee from the TO's.
- Remove requirement for NGET to calculate an average charge out rate.
- Introduction of a weekly process notifying the TO's of all new signed agreements allowing more efficient and timely data exchange. This is an improvement which replaces the current bi-annual reporting.
- Introduction of new timescale for NGET to reconcile application fees to improve customer satisfaction.
- Removal of Appendix A – Flow diagrams as the simplified business process no longer requires the diagrams.
- Appendix B2 has been replaced with a new single excel template.
- Other minor housekeeping changes (for example, definitions) to aid clarity.

4. Impact on the STC *(mandatory field)*

None

5. Impact on other frameworks e.g. CUSC, BSC *(information should be given where possible, if no impact please put 'None')*

None

6. Impact on Core Industry Documentation *(information should be given where possible, if no impact please put 'None')*

None

7. Impact on Computer Systems and Processes used by STC Parties *(information should be given where possible, if no impact please put 'None')*

None

8. Details of any Related Modifications to Other Industry Codes *(information should be given where possible, if no impact please put 'None')*

None

9. Justification for Proposed Modification with Reference to Applicable STC

Objectives (mandatory field, please provide justification against each objective, if the objective is not better facilitated put 'the proposal has a neutral impact on this objective')

STC Objectives

- (a) efficient discharge of the obligations imposed upon transmission licensees by transmission licences and the Act;

The proposal has a neutral impact on this objective.

- (b) development, maintenance and operation of an efficient, economical and co-ordinated system of electricity transmission;

The proposal has a neutral impact on this objective.

- (c) facilitating effective competition in the generation and supply of electricity, and (so far as consistent therewith) facilitating such competition in the distribution of electricity;

The proposal has a neutral impact on this objective.

- (d) protection of the security and quality of supply and safe operation of the national electricity transmission system insofar as it related to interactions between transmission licensees;

The proposal has a neutral impact on this objective.

- (e) promotion of good industry practice and efficiency in the implementation and administration of the arrangements described in the STC; and

The proposal supports this objective by streamlining the process and improving the efficiency of data exchange and improves cashflow between parties.

- (f) facilitation of access to the national electricity transmission system for generation not yet connected to the national electricity transmission system or distribution system.

The proposal has a neutral impact on this objective.

Details of Proposer Organisation's Name	Liz Statham, National Grid
Capacity in which the Modification is being proposed (i.e. STC Party or other Party as designated by the Authority pursuant to STC section B7.2.2.1 (b))	STC Party

Details of Representative's Alternate Name Organisation Telephone Number Email Address	Mo Sukumaran SHE T 0118 9534671 Mo.sukumaran@sse.com

Attachments (Yes/No):

Yes – tracked change version of STCP19-6 Issue 005 Draft Version 3

Notes:

1. Those wishing to propose a Modification to the STC should do so by filling in this “Modification Proposal Form” that is based on the provisions contained in Section 7.2 of the STC.
2. The Modification Panel Secretary will check that the form has been completed, in accordance with the requirements of the STC, prior to submitting it to the Modification Panel. If the Modification Panel Secretary accepts the Modification Proposal form as complete, then she/he will write back to the Proposer informing them of the reference number for the Modification Proposal and the date on which the Committee will consider the Proposal. If, in the opinion of the Modification Panel Secretary, the form fails to provide the information required in the STC, then he/she may reject the Proposal. The Modification Panel Secretary will inform the Proposer of the rejection and report the matter to the Modification Panel at their next meeting. The Modification Panel can reverse the Modification Panel Secretary’s decision and if this happens the Modification Panel Secretary will inform the Proposer.

The completed form should be returned to:
