

CAP085 - Revised Treatment of Housekeeping Amendments

Ben Graff

Industry Codes Development Manager

National Grid Transco

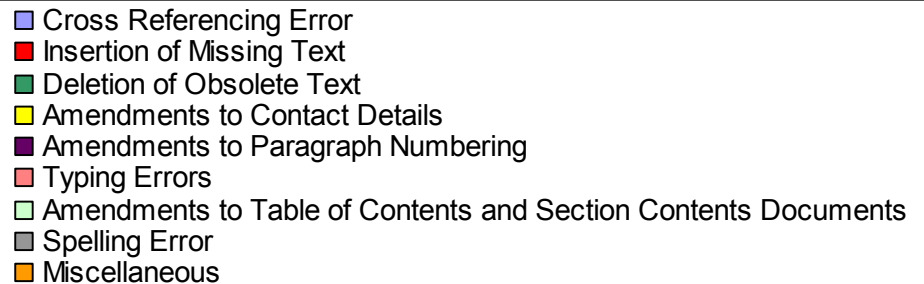

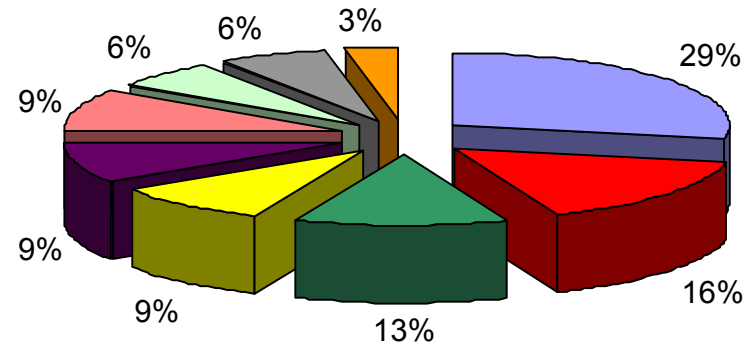

CAP085 – The Issue

- Housekeeping Changes Key to Maintaining the CUSC
- No Expeditious Rout for Progressing Such Changes
- Industry Time Wasted/Consultation ‘Overload’
- Any Solution Must Contain Appropriate Safe-Guards

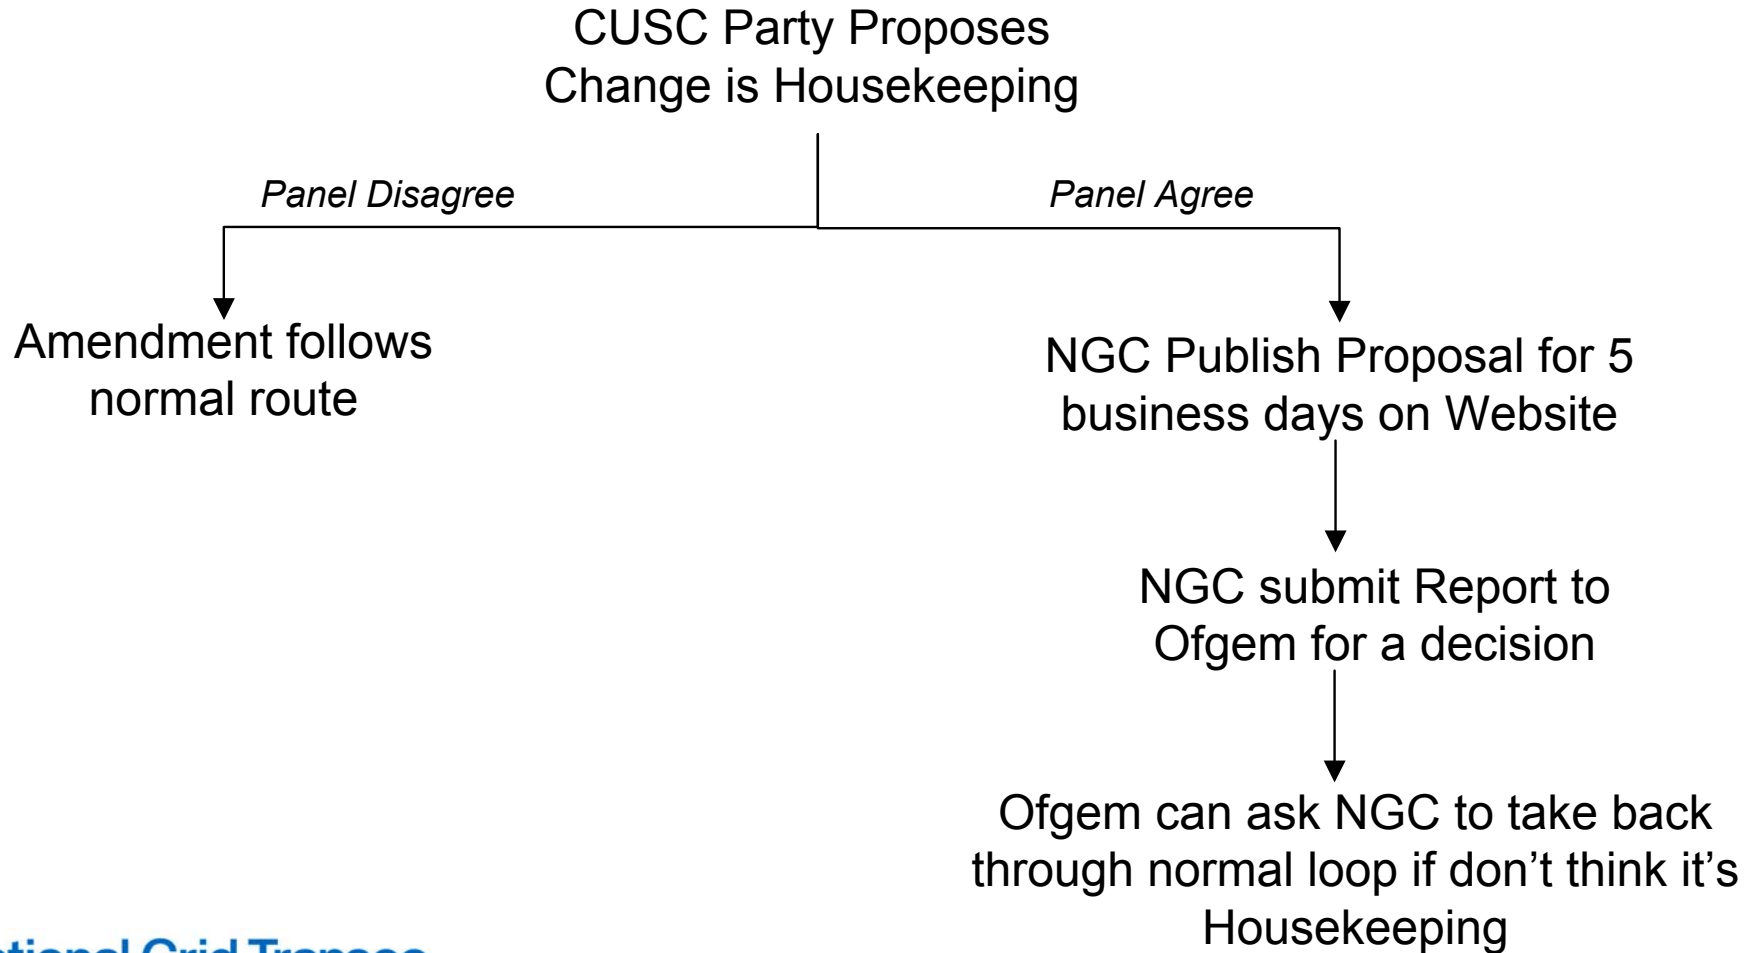

CAP085 – The History

- 32 Housekeeping Changes Proposed
- Over 37% of all CUSC Amendments

Types of Housekeeping Amendments

Proposed Solution

Benefits and Safeguards

- More Proportionate & Expeditious Treatment of Such Amendments
- Better Facilitates Applicable CUSC Objectives
- Panel, rather than NGC has to Agree Amendments is Housekeeping
- Proposals Still Published on NGC's Website
- Ofgem still Approve/Rejects Amendment
