Dear Simon

I am writing to let you know that Mark Feather, presently Associate Director, Transmission in Ofgem's Networks Division will be moving to lead the Industry Codes and Licensing Team in Ofgem's Corporate Affairs Division from January. Mark takes over from Nick Simpson and will join the team from 15 January. I know Mark will want to be in touch nearer the time to introduce himself and establish contact.

In the meantime, if you have any queries on Ofgem's code or licence work please don't hesitate to contact myself direct or my colleagues Jon Dixon, Head of Industry Codes (Markets) and David Edward, Head of Industry Codes (Networks).

Yours sincerely

Sarah Harrison
Managing Director, Corporate Affairs
