Key areas of discussion

The Workgroup discussed the following:

- The workgroup reviewed the legal text put forwards by the ESO. It was agreed that an updated version would be sent out to the workgroup to review ahead on the next workgroup meeting on 9 June 2020, prior to finalisation. .
- The alternative vote took place. All 83 raised alternatives will be carried forwards alongside the original solution, to become official Workgroup Alternative CUSC Modifications (WACMs) as a result. The workgroup will cast their final vote on the solutions put forwards on 9 June 2020.
- The workgroup also reviewed a draft version of their report to CUSC panel. This version will be updated and sent for a final review ahead of submission to CUSC Panel on 18 June 2020, ahead of their June meeting.
