CMP344 Clarification of Transmission Licensee revenue recovery and the treatment of revenue adjustments in the Charging Methodology

Date: 3 September 2020 – Workgroup 1

Contact Details

Chair: Joseph Henry, National Grid ESO

joseph.henry2@nationalgrideso.com
07970673220

Proposer: Bill Reed, RWE Innogy

Key areas of discussion

The Workgroup discussed the following:

- The proposer discussed the initial proposal and took the workgroup through slides detailing the modification.
- The workgroup agreed with the Terms of Reference as set out by CUSC Panel.
- The workgroup agreed with the proposers view that a change would be needed ahead of the next price control period.
- The Code Administrator outlined that they would produce a draft of the Workgroup Consultation ahead of the next meeting. The ESO agreed that the following meeting would be attended by the ESO revenue team to discuss the intention of a publication made in July 2017¹ in regards to Income Adjusting Events and whether the determination outlined by the ESO needed to be included in the CUSC.
