

## CUSC Key Performance Indicators Quarter July –September 2013

## Introduction

---

- As part of the Code Governance Review Final Proposals, the Code Administration Code Of Practice (CACOP) was established. This included a Principle for Code Administrators to report on KPIs
- The KPIs cover two measures:
  - Qualitative
  - Quantitative
- The KPIs are reported to the Panel each quarter, on a retrospective basis
- The KPIs identified in the CACOP are a minimum requirement and may be expanded.
