If it is agreed or otherwise determined that the **Proving Test** has been successfully passed, the **Company** shall return to the **Provider** the **Acceptable Security** as soon as reasonably practicable provided that any liability for liquidated damages under Clause 3.7 has been paid by the **Provider** in full.
- 3.7. If the **Facility** has not successfully passed the **Proving Test** by the **Scheduled Commercial Operations Date** then, save to the extent due to a **Delay Event**, the **Provider** shall pay to the **Company**, without deduction or set off, liquidated damages at the **LAD Rate** with effect from the **Scheduled Commercial Operations Date** until and including the date on which the **Facility** successfully passes the **Proving Test**, provided always that such liquidated damages shall not in any event exceed the **LAD Cap**.
- 3.8. If at any time the aggregate amount of liquidated damages paid or payable under Clause 3.7 is equal to the **LAD Cap** then, the **Company** shall have the right to terminate this **Agreement** by written notice to the **Provider**.
- 3.9. For the purposes of Clause 3.7, liquidated damages shall be payable by the **Provider** to the **Company** on a monthly basis in accordance with Clause 5 (*Payment*) and the due date shall be ascertained accordingly.
- 3.10. The remedies prescribed in Clause 3.3.2, 3.6, 3.7 and 3.8 shall be the **Company's** sole and exclusive remedies with respect to:
 - 3.10.1. any failure, whether actual or prospective (as determined by the **Company** pursuant to Clause 3.3.2), of the **Provider** to satisfy the **Post Tender Milestones** within two (2) months of the **PTM Date**; or
 - 3.10.2. any failure of the **Facility** to successfully pass the **Proving Test** by the **Scheduled Commercial Operations Date**.

4. AVAILABILITY, SERVICE PROVISION AND PAYMENT

4.1. Provision of Static Reactive Power Service

- 4.1.1. The **Provider** agrees with effect from the **Commercial Operations Date** and throughout the **Service Term** to [fuel]⁶, operate, maintain and repair the **Facility** in accordance with **Good Industry Practice** with a view to making it **Available** to provide the **Static Reactive Power Service** in accordance with the **Contracted Parameters** throughout the **Service Term** upon and subject to the terms and conditions set out herein.
- 4.1.2. The **Provider** agrees to maintain a single point of remote control at the site of the **Facility** to facilitate the issue of **Instructions** and **Instructions to End** by the **Company**.
- 4.1.3. [The **Provider** shall permit the **Company** on not less than ten (10) **Business Days'** notice to establish a secure virtual private network connection ("**VPN**") with the **Provider**, establish connectivity from the data concentrator host to the **Provider**, and configure the **Company's** data collection facility to receive the **Provider's** data signals. The **Provider** shall transmit all necessary data feeds using the IEC60870-5-104 protocol, including an **Availability** signal and meter data thereafter on a continuous basis to allow the **Company** to remotely monitor and issue **Instructions** to the **Facility** for the remainder of the **Service Term**.]⁷
- 4.1.4. Where the **Provider** wishes to substitute the **Facility** with another facility, the **Provider** shall take such steps as the **Company** may reasonably require (including, where required by the **Company**, the carrying out of an **Initial Proving Test** with respect to that substituted **Facility**) to ensure that such substituted facility will be able to deliver the **Static Reactive Power Service** in accordance with the requirements described in the **ITT**; and only where the **Company** is so satisfied, such substituted facility shall become the **Facility** for the purposes of this **Agreement** in substitution of the **Facility** described in Schedule 3.
- 4.2. **Notification of Unavailability**
- 4.2.1. If at any time the **Provider** becomes aware that the **Facility** no longer has or will no longer have the **Contracted Absorption Capacity** it shall promptly notify the **Company** that the **Facility** is **Unavailable** (including, for the avoidance of doubt, in respect of any **Planned Maintenance Periods**) by facsimile or email in the form set out in Schedule 6, Part A (*Forms*) and the **Provider** shall thereafter promptly notify the **Company** by facsimile or email in the form set out in Schedule 6, Part B (*Forms*) when the **Contracted Absorption Capacity** is restored.
- 4.2.2. Each notification by the **Provider** that the **Facility** is **Unavailable** pursuant to Clause 4.2.1 shall be accompanied by an explanation in reasonable detail of the reasons for the **Facility** being **Unavailable** and, for the avoidance of doubt, the **Provider** may only declare the **Facility Unavailable** for reasons of safety or reasons relating to the

technical capability of the **Facility** or where the **Facility** is to be withdrawn from service for the purposes of a **Planned Maintenance Period**.

4.2.3. For the purposes of this Clause 4, the **Static Reactive Power Service** shall be treated as **Unavailable** from the time of the **Provider's** notice under Clause 4.2.2 to the time of receipt by the **Company** of notification under Clause 4.2.1 that the **Contracted Absorption Capacity** has been restored.

4.3. **Instructions and Instructions to End**

4.3.1. It is acknowledged by the **Provider** that, in relation to any **Settlement Periods** (subject always to the **Instructed Settlement Periods Cap**) other than any for which the **Facility** has been declared or treated as **Unavailable**, the **Company** shall have the right (but not the obligation) to issue an instruction ("**Instruction**") to require the **Facility** to absorb **Reactive Power**, and subsequently notify the **Provider** when it no longer requires the **Facility** to absorb **Reactive Power** ("**Instruction to End**").

4.3.2. Following receipt of an **Instruction**, the **Provider** shall acknowledge receipt as soon as possible (but in any case by no later than two (2) minutes from receipt of an **Instruction**) and shall take all necessary steps to ensure that throughout each **Relevant Settlement Period**, the **Facility** operates:

- (i) in a control mode (or, for **Providers** connected to the **Local Distribution System**, at a power factor) which enables constant reactive power absorption, as more particularly described in the **ITT**; and
- (ii) to the full extent of the **Contracted Absorption Capacity**.

4.3.3. If an **Instruction** is issued by the **Company** and:

- (i) the **Provider** fails to acknowledge receipt of that **Instruction** within two (2) minutes of such **Instruction**; and/or
- (ii) the **Facility** fails to absorb **Reactive Power** to at least ninety (90) percent of the **Contracted Absorption Capacity** in accordance with an **Instruction** within the **Notice Period**; and/or
- (iii) the **Facility** ceases to absorb **Reactive Power** to at least ninety (90) percent of the **Contracted Absorption Capacity** following an **Instruction**, otherwise than in accordance with an **Instruction to End**,

then the **Facility** shall with effect from the **Settlement Period** in which such failure occurred be treated as **Unavailable** until full capability is restored as notified by the **Provider** to the **Company** in accordance with Clause 4.2.1.

4.3.4. Promptly following each failure under Clause 4.3.3 the **Provider** shall notify the **Company** of the causes of the failure.

4.3.5. The **Parties** agree and acknowledge that **Instructions**, **Instructions to End** and also confirmations by the **Provider** of **Instructions** and **Instructions to End**

transmitted through and stored on **EDL** or (in the case of **Providers** connected to the **Local Distribution System**) **VPN** or (in the case of **Providers** connected either to the **NETS** or to the **Local Distribution System**) such other electronic means approved by the **Company** from time to time (each and together, the “**applicable logging mechanism**”) shall be conclusive evidence of the giving and/or receipt of any communication required to be given pursuant to the terms of Clauses 4.3.1 and 4.3.2 (except during periods when the applicable logging mechanism is unavailable for any reason, in which case communication shall be made by telephone, e-mail or facsimile (whichever is appropriate, as reasonably determined by the transmitting **Party** at the time transmitting)).

4.3.6. If at any time in a **Contract Year** the **Company** anticipates that the **Instructed Settlements Period Cap** will be met, the **Provider** shall at the **Company’s** request offer commercial terms for the provision of the **Static Reactive Power Service** in respect of such additional number of **Settlement Periods** in that **Contract Year** as the **Company** may request.

4.4. **Continued Performance Failure**

In the event of any **Continued Performance Failure**, the **Company** may (at its sole discretion) by written notice to the **Provider** reduce the **Availability Fee** and the **Contracted Absorption Capacity** on a pro-rata basis.

4.5. **Aggregated Facility**

4.5.1. For the purposes of this Clause 4.5 and Schedule 7, the term “**Aggregated Facility**” shall mean a notional **Facility** for which **Contracted Parameters** are confirmed by the **Company** and to which one or more **Sub-Facilities** may from time to time be **Allocated** by the **Provider** in accordance with Schedule 7 for the purpose of enabling the **Static Reactive Power Service** to be capable of being delivered and despatched from such **Sub-Facilities** on an aggregated basis via such **Aggregated Facility**, and which together shall comprise a **Facility** for the purposes of this Agreement.

4.5.2. An **Aggregated Facility** shall be treated as **Unavailable** unless and until the **Provider** shall have allocated or re-allocated to that **Aggregated Facility** in accordance with Schedule 7 sufficient **Sub-Facilities** to provide in aggregate the **Contracted Absorption Capacity**.

4.6. **Service Fees**

4.6.1. In consideration of the provision by the **Provider** of the **Static Reactive Power Service**, the **Company** shall pay to the **Provider** on a monthly basis an **Availability Payment** calculated in accordance with Schedule 2, Part A (*Availability Payment*).

4.6.2. [The **Provider** acknowledges that this **Agreement** shall constitute a **Market Agreement** for the purposes of Schedule 3 of **CUSC** and that it shall cease to be entitled to any amounts payable under **CUSC** for the **Obligatory Reactive Power Service** throughout the **Service Term**.]⁸

4.6.3. [The **Provider** shall reimburse to the **Company** any payment for the **Obligatory Reactive Power Service** that it receives under the **CUSC** notwithstanding the provisions of Clause 4.6.2 during the **Service Term**.]⁹

4.7. **Annual Assessment**

4.7.1. Following each anniversary of the **Commercial Operations Date**, the **Company** shall:

- (i) undertake an assessment of the extent of provision of the **Static Reactive Power Service** by the **Provider** over the immediately preceding **Contract Year** by determining in relation to that **Contract Year** and by reference to Clause 4.7.2 the number of **Settlement Periods** during such **Contract Year** in which the **Facility** was **Available**; and
- (ii) calculate the **Annual Availability Reconciliation Payment** in accordance with Schedule 2, Part B (*Annual Availability Reconciliation Payment*).

4.7.2. If in respect of any **Settlement Period** the **Facility** was **Unavailable** due solely to **Force Majeure** then, to the extent that in respect of such period the **Provider** is able to demonstrate to the **Company's** reasonable satisfaction that it has been taking all reasonably practicable steps to restore the **Availability** of the **Facility**, the **Facility** shall be treated as having been **Available** in the relevant **Settlement Period** for the purposes of calculating the **Annual Availability Reconciliation Payment** (but not for any other purpose).

4.8. **Planned Maintenance**

4.8.1. Not later than three (3) months prior to the start of each **Contract Year**, the **Provider** shall provide to the **Company** notice and the programme ("**Planned Maintenance Programme**") of the **Settlement Periods** in that **Contract Year** during which the **Provider** proposes to withdraw the **Facility** from service for a maintenance outage (including the duration of the outage) ("**Planned Maintenance Periods**").

4.8.2. Following a request by the **Company**, the **Parties** shall meet to discuss (both **Parties** acting reasonably and in good faith) any changes the **Company** may reasonably require to the **Planned Maintenance Programme**.

⁹ Delete for non-CUSC parties and insert 'Not Used'.

4.8.3. The **Provider** shall only withdraw the **Facility** from service for the purposes of planned maintenance in accordance with the **Planned Maintenance Programme**.

4.9. **Grid Code**

4.9.1. It is acknowledged by both **Parties** that the provision of the **Static Reactive Power Service** in accordance with the terms hereof shall not relieve the **Provider** of any of its obligations set out in the **Grid Code** including without limitation its obligations (where applicable to the **Provider**) set out in **Grid Code** CC8.1 to provide **Reactive Power** (supplied otherwise than by means of the **Static Reactive Power Service**) in accordance with CC6.3.2 and CC6.3.4 of the **Grid Code**.

5. **PAYMENT**

5.1.2. in relation to the last calendar month in the **Contract Year**, its calculation of the **Annual Availability Reconciliation Payment** due from the **Provider**;

5.1.3. if relevant, adjustments to be made (net of interest) in relation to disputes concerning **Availability Payments** in any month prior to the previous month;

5.1.4. [if relevant, any amount to be reimbursed by the **Provider** in accordance with clause 4.6.3 (*Service Fees*), which amount may be set-off by the **Company** against sums payable under this **Agreement**;¹⁰ and

5.1.5. the net sum due to or from the **Provider** as a result thereof.

5.2. If the **Provider** disagrees with any dates times facts or calculations set out in the **Monthly Statement**, it may notify the **Company** in writing, with evidence on which it relies upon in support of such disagreement, no later than the date falling ten (10) **Business Days** after receipt thereof, but in the absence of any such notification by such date, the **Monthly Statement** shall be final and binding on the **Parties** subject only to Clause 5.3. The **Parties** shall discuss and endeavour to resolve the matter in good faith and any adjustments agreed shall be included in the **Monthly Statement** next following the date of resolution of the dispute. The dates, times, facts and calculations set out in the **Monthly Statement** shall be binding upon the **Parties** until such time as they are reversed or revised by agreement between the **Parties** or otherwise determined pursuant to Clause 12 (*Dispute Resolution and Expert Determination*).

- 5.3. Where, having regard to any **Settlement Run** or to the results of any other monitoring by the **Company** of service delivery, the **Company** or the **Provider** discovers that some or all of any calculations and/or amounts falling due shown in any **Monthly Statement** are incorrect, then it shall promptly notify the other in writing whereupon the **Company** shall, subject to verification by **NGESO**, revise the **Monthly Statement** and re-issue the same to the **Provider**, and the provisions of Clause 5.2 shall apply mutatis mutandis to such revised **Monthly Statement**.
- 5.4. In the absence of fraud, neither the **Company** nor the **Provider** may invoke the provisions of Clause 5.3, with respect to the contents of any **Monthly Statement** after the period of twelve (12) months has elapsed following submission of that **Monthly Statement** in which the calculations and/or amounts in question were first stated, after which date such calculations and/or amounts shown in the last **Monthly Statement** issued by the **Company** shall be final and conclusive.
- 5.5. No later than the eighteenth (18th) **Business Day** of each month, the **Company** will issue a self-billing invoice (or credit note) reflecting the **Monthly Statement** issued pursuant to Clause 5.2, and no later than five (5) **Business Days** after such date of issue the **Company** shall pay to the **Provider** (or the **Provider** shall pay to the **Company**, as the case may be) the net amount shown as due from the **Company** to the **Provider** (or from the **Provider** to the **Company**, as the case may be) in that **Monthly Statement**.
- 5.6. If either **Party** (the “**Defaulting Party**”) fails to pay any amount properly due under this **Agreement** on the due date then the **Defaulting Party** shall pay to the other **Party** interest on such overdue amount at the **Base Rate** plus three per cent (3%) from the due date on which such payment was properly due to (but excluding) the date of actual payment. Any interest shall accrue from day to day.
- 5.7. If it is agreed or otherwise determined under Clause 5.2 that the **Provider** was entitled to a further payment from the **Company**, the **Provider** shall be entitled to interest at the **Base Rate** on the amount of such further payment from the date on which that sum would have been payable had it been included in the **Monthly Statement** for each **Relevant Settlement Period** until the date of payment.
- 5.8. If it is agreed or otherwise determined under Clause 5.2 that the **Provider** was not entitled to any payment it has received, the **Company** shall be entitled to interest at the **Base Rate** on the amount so paid from the date of payment until the date of repayment or the date when the **Company** makes a payment to the **Provider** which takes such payment into account.
- 5.9. Notwithstanding any other provision of this **Agreement**, the **Parties** shall not be limited in any way as to the evidence they may rely upon in any proceedings arising out of or in connection with payment for the **Static Reactive Power Service** under this **Agreement** and the **Parties** agree that in the event and to the extent that either **Party** succeeds in proving in any such proceedings that the **Static Reactive Power Service** was or was not provided, the successful **Party** shall (without prejudice to any liquidated damages provision of this **Agreement**) be entitled to repayment of the

sums already paid or payment of sums not paid as the case may be in respect of the **Static Reactive Power Service**.

- 5.10. Save as otherwise expressly provided in this **Agreement**, sums payable by one **Party** to the other pursuant to this **Agreement** whether by way of charges, interest or otherwise shall (except to the extent otherwise required by law) be paid in full, free and clear of and without deduction, set-off or deferment in respect of any disputes or claims whatsoever save for sums the subject of a final award or judgement (after exhaustion of all appeals if this opportunity is taken) or which by agreement between the **Company** and the **Provider** may be so deducted or set off.
- 5.11. All amounts specified hereunder shall be exclusive of any **Value Added Tax** or other similar tax and the **Company** shall pay to the **Provider Value Added Tax** at the rate for the time being and from time to time properly chargeable in respect of the making available and/or supply of the **Static Reactive Power Service** under this **Agreement**.

- 5.13. The submission of all **Monthly Statements** and facts and other evidence in support thereof and any questions in connection therewith from the **Company** to the **Provider** and vice versa in accordance with this Clause 5 must be made, in the absence of agreement to the contrary between the **Parties**, by 19.00 hours on the **Business Day** concerned.
- 5.14. The **Provider** hereby irrevocably consents to the operation of a self-billing system by the **Company** with regard to the payment for the **Static Reactive Power Service** and will at all times throughout the **Service Term** maintain such consent. - 6.2. The **Provider** shall allow or procure for the **Company**, its employees, agents, suppliers, contractors and subcontractors such access to the **Facility** as the **Company** may reasonably require for the purposes of inspecting the **Facility** during the **Provider's** working hours and provided that the **Company** has given the **Provider** at least ten (10) **Business Days** notice of any requirement for such access.
- 6.3. Without limiting its obligations under Clause 6.1, the **Provider** hereby grants to the **Company** the right to collect and record data from any **Monitoring Equipment** at the **Company's** own cost.

Testing

- 6.4. At any time during the **Operational Period** the **Company** may notify the **Provider** in writing ("**Proving Test Notice**") that it wishes the **Provider** to undertake a **Proving Test** in relation to the **Facility**, provided that the **Facility** has not been declared **Unavailable** and subject to a maximum in any calendar year of two (2) **Proving Tests** (such maximum not including the **Initial Proving Test** or any re-tests). The following provisions shall apply:
- (a) the **Company** shall be permitted to undertake such **Proving Test** and the **Provider** shall:
 - (i) propose a date (within twenty (20), but not earlier than five (5), **Business Days** after the **Proving Test Notice**) for the **Proving Test** to be carried out in relation to the **Facility** ("**Proving Test Date**"); and
 - (ii) act reasonably with a view to agreeing the detailed programme for the **Proving Test**, which shall be consistent with the principles in Schedule 5 (*Testing*) and which, if not agreed by the **Proving Test Date**, shall be determined by an **Expert** in accordance with Clause 12.3 (*Dispute Resolution and Expert Determination*) and, following such determination, the **Provider** shall propose a new date for the **Proving Test** within twenty (20), but not earlier than five (5), **Business Days** after that determination;
 - (b) the **Provider** shall be responsible for undertaking the **Proving Test** but shall do so in liaison with the **Company** and in connection therewith:
 - (i) whilst there is no obligation for the **Company** to attend the **Proving Test** (and the **Company's** failure to attend shall not invalidate the **Proving Test**), the **Provider** shall allow reasonable access to the **Company's** personnel and contractors to witness the **Proving Test**; and
 - (ii) the **Provider** shall (on request) provide to the **Company** the results of the **Proving Test** by email and any such reasonable additional evidence as the **Company** may reasonably require for the purposes of demonstrating performance of the **Facility** during the test;

- (c) if the **Company** determines (acting reasonably) that the **Facility** has passed the **Proving Test**, then:
 - (i) it shall notify the **Provider** in writing accordingly within five (5) **Business Days** after the completion of the **Proving Test**; and
 - (ii) the reasonable costs incurred by the **Provider** in connection with the carrying out of the **Proving Test** shall be paid to the **Provider** by the **Company** by reference to the next practicable **Monthly Statement**;
- (d) if the **Company** determines that the **Facility** has failed the **Proving Test**, then:
 - (i) it shall notify the **Provider** in writing accordingly within five (5) **Business Days** after completion of the **Proving Test**;
 - (ii) the **Provider** shall be deemed to have declared the **Facility Unavailable** with effect from the **Proving Test Date** until such time as the **Company** notifies the **Provider** by email that the **Facility** has successfully passed a **Re-Test** at which point the **Facility** shall be treated as **Available**;
 - (iii) the **Provider** shall reimburse the reasonable costs incurred by the **Company** in carrying out the **Proving Test** (and any **Re-Test**) pursuant to this Clause 6.4) by reference to the next practicable **Monthly Statement**;
 - (iv) the **Provider** shall notify the **Company** in writing of the reasons for the failure, and may subsequently notify the **Company** in writing when it is ready to carry out a re-run of the **Proving Test** ("**Re-Test**") not later than twenty-four (24) hours prior to the proposed **Re-Test** date and the **Company** shall not unreasonably withhold or delay its consent to the proposed **Re-Test**, reasonableness to be judged for these purposes by reference to conditions on the **National Electricity Transmission System**;
 - (v) the provisions of this Clause 6.4 shall apply to a **Re-Test** mutatis mutandis; and
 - (vi) if the **Facility** fails a **Proving Test** (including any **Re-Test**) for substantially the same reason on two or more subsequent occasions in any period of twelve (12) calendar months and/or if the total number of **Proving Tests** (including any **Re-Test**) the **Facility** fails is more than five in aggregate during the **Service Term**, then the **Company** shall have the right to either: (aa) terminate this **Agreement** in accordance with Clause 7.1 (*Termination*); or (bb) to reduce the **Contracted Absorption Capacity** to the value that the **Company** reasonably considers reflects the true capability of the **Facility** on the basis of the failed **Proving Tests** and to reduce the **Availability Fee** by a

percentage equal to the percentage reduction in the **Contracted Absorption Capacity**.

7. TERMINATION AND SUSPENSION

- 7.1. The **Company** shall be entitled to terminate this **Agreement** forthwith by notice in writing to the **Provider** if:-
- 7.1.1. the **Provider** shall fail to pay (other than by inadvertent error in funds transmission which is discovered by the **Company**, notified to the **Provider** and corrected within five (5) **Business Days** thereafter) any material sum properly due or owing from the **Provider** to the **Company** pursuant to this **Agreement** according to its terms and such non-payment remains unremedied and not disputed in good faith and upon reasonable grounds at the expiry of fifteen (15) **Business Days** immediately following receipt by the **Provider** of written notice from the **Company** of such non-payment; or
- 7.1.2. the **Provider** is in material breach of any other obligation under this **Agreement** and, in the case of a breach that is capable of remedy, has not remedied that breach within thirty (30) days (or such longer period as may reasonably be required for remedy) after receipt of notice from the **Company** identifying the breach and requiring its remedy;
- 7.1.3. if Clause 3.3.2, Clause 3.8 or Clause 6.4(d)(v) applies; or
- 7.1.4. in respect of the **Provider**:-
- (i) an order of the **High Court** is made or an effective resolution passed for its insolvent winding up or dissolution; or
 - (ii) a receiver (which expression shall include an administrative receiver within the meaning of Section 29 Insolvency Act 1986) of the whole or any material part of its assets or undertaking is appointed; or
 - (iii) an administration order under Section 8 of the Insolvency Act 1986 is made or any other steps are taken to appoint an administrator or if a voluntary arrangement is proposed under Section 1 of that Act; or
 - (iv) it enters into any scheme of arrangement (other than for the purpose of reconstruction or amalgamation upon terms and within such period as may previously have been approved in writing by the **Authority**); or
 - (v) it is unable to pay its debts (within the meaning of Section 123(1) or (2) of the Insolvency Act 1986 save that such sections shall have effect as if for seven hundred and fifty pounds sterling (£750) there was inserted two hundred and fifty thousand pounds sterling (£250,000) and the **Provider** shall not be deemed to be unable to pay its debts if any demand for payment is being contested in good faith by the **Provider** with recourse to all appropriate measures and procedures);

and in any such case within twenty-eight (28) days of appointment of the liquidator, receiver, administrative receiver, administrator, nominee or other similar officer, such person has not provided to the **Company** a guarantee of future performance by the **Provider** of this **Agreement** in such form and amount as the **Company** may reasonably require.

- 7.2. The **Company** acknowledges that the **Provider** may need to arrange funding to develop the **Facility** and that the funder may require as a condition of the availability of that finance to enter into a direct agreement with the **Company**. The **Company** shall act in good faith (at the cost and expense of the **Provider**) to negotiate such a direct agreement where reasonably required by the **Provider**, on terms to be agreed by the **Company** (acting reasonably) but not so as to impose any financial obligation on the **Company** and provided always that it shall not be unreasonable for the **Company** to refuse to enter a direct agreement where the terms of such direct agreement negatively impacts, or are likely to negatively impact, the provision of the **Static Reactive Power Service** in accordance with the terms of this **Agreement**.
- 7.3. The **Provider** may terminate this **Agreement** forthwith by notice in writing to the **Company** if:-
- 7.3.1. the **Company** shall fail to pay (other than by inadvertent error in funds transmission which is discovered by the **Provider**, notified to the **Company** and corrected within five (5) **Business Days** following such notification) any material sum properly due or owing from it pursuant to this **Agreement** according to its terms and such non-payment remains unremedied and not disputed in good faith and upon reasonable grounds at the expiry of fifteen (15) **Business Days** immediately following receipt by the **Company** of written notice from the **Provider** of such non-payment; or
- 7.3.2. in respect of the **Company**:-
- 7.3.3. an order of the High Court is made or an effective resolution passed for its insolvent winding-up or dissolution; or
- (i) a receiver (which expression shall include an administrative receiver within the meaning of Section 29 of the Insolvency Act 1986) of the whole or any material part of its assets or undertaking is appointed; or
 - (ii) an administration order under Section 8 of the Insolvency Act 1986 is made or any other steps are taken to appoint an administrator or if a voluntary arrangement is proposed under Section 1 of that Act; or
 - (iii) it enters into any scheme of arrangement (other than for the purpose of reconstruction or amalgamation upon terms and within such period as may previously have been approved in writing by the **Authority**); or
 - (iv) it is unable to pay its debts within the meaning of Section 123(1) or (2) of the Insolvency Act 1986 save that such section shall have effect as if for seven hundred and fifty pounds sterling (£750) there was inserted two hundred and fifty thousand (£250,000) (and the **Company**

shall not be deemed to be unable to pay its debts if any demand for payment is being contested in good faith by it with recourse to all appropriate measures and procedures);

and in any such case within twenty-eight (28) days of appointment of the liquidator, receiver, administrative receiver, administrator, nominee or other similar officer, such person has not provided to the **Provider** a guarantee of future performance by the **Company** of this **Agreement** in such form and amount as the **Provider** may reasonably require.

- 7.4. Termination of this **Agreement** shall be without prejudice to the rights and remedies to which a **Party** may be entitled hereunder and shall not affect any accrued rights obligations or liabilities of either **Party** nor the coming into or continuance in force of any provision hereof which is expressly or by implication intended to come into or continue in force on or after such termination.
- 7.5. For the avoidance of doubt, unless otherwise expressly provided herein, references in this **Agreement** to termination of this **Agreement** shall mean termination of all of the provisions of this **Agreement** and not otherwise.
- 7.6. If at any time the operation of the **Facility** is subject to restrictions imposed by the **Local TO** [and/or the **Local DNO**]¹¹ (otherwise than by reason of any act or omission of the **Provider**) that, in the **Company's** reasonable opinion, have a material and continuing adverse effect on the provision of the **Static Reactive Power Service** from the **Facility**, the **Company** may, by notice in writing to the **Provider**, suspend all rights and obligations of the **Parties** in relation to the **Static Reactive Power Service** until the earlier of: (i) the date falling fourteen (14) days after the date on which the restrictions came into effect or, in the case of a **Facility** with a **Non-Standard Connection**, the date falling nineteen (19) days after the date on which the restrictions came into effect; and (ii) the date from which the **Company** is reasonably satisfied that such restrictions are no longer being applied by the **Local TO** [and/or the **Local DNO**], whereupon the **Company** shall by further notice ("**Notice of Resumption**") in writing to the **Provider**, end the suspension of the **Parties'** respective rights and obligations. The **Provider** shall resume performance of the **Static Reactive Power Service** and its entitlement to **Availability Payments** shall resume with effect from the time and date specified in the **Notice of Resumption**. The **Service Term** shall not be extended by reason of any period of suspension.

8. WARRANTIES AND INDEMNITY

- 8.1. The **Provider** hereby warrants and represents to the **Company** that:
 - 8.1.1. it has full power and authority to enter into this **Agreement** and perform its obligations hereunder, including without limitation that the availability and delivery of the **Static Reactive Power Service** from the **Facility** pursuant to and in accordance

with this **Agreement** does not cause it, or any site owner, to be in breach of, or to otherwise be non-compliant with, any **Legal Requirement** and/or any agreement with any person; and

8.1.2. it will not do anything in connection with this **Agreement** that will cause it to be in breach of, or to otherwise be non-compliant with, any **Legal Requirement** and/or any agreement with any person.

8.2. The **Provider** further warrants and represents to the **Company** that the availability and delivery of the **Static Reactive Power Service** from the **Facility** pursuant to and in accordance with this **Agreement** will not at any time cause the **Provider** to be in breach of or to otherwise be non-compliant with any **Connection Agreement** and/or any agreement for the supply of electricity or related services to or from the **Facility**. The **Provider** repeats this warranty and representation on acknowledgement of each **Instruction**.

8.3. If, notwithstanding Clause 8.2, the **Company** receives a claim by a third party related to any actual or alleged breach or non-compliance by the **Provider** as described in Clause 8.2, the **Provider** shall, provided the **Company** has notified the claim to it as soon as reasonably practicable after receipt, indemnify the **Company** against all and any losses, liabilities, claims and expenses that may be suffered or incurred by the **Company** in connection therewith. Such indemnity shall include any legal costs and expenses reasonably incurred in the contesting of such claim, including the court costs and the reasonable fees of lawyers and other professional advisers.

8.4. The provisions of this Clause 8 shall continue to bind the **Parties** after termination of this **Agreement**.

9. LIMITATION OF LIABILITY

9.1. Subject to Clause 9.2, save where any provision of this **Agreement** provides for an indemnity or the payment of liquidated damages, the **Parties** agree and acknowledge that neither **Party** (the "**Party Liable**") nor any of its officers, employees or agents shall be liable to the other **Party** for loss arising from any breach of this **Agreement** other than for loss directly resulting from such breach and which at the date of this **Agreement** was reasonably foreseeable as not unlikely to occur in the ordinary course of events from such breach in respect of:-

9.1.1. physical damage to the property of the other **Party**, its officers, employees or agents; and/or

9.1.2. the liability of such other **Party** to any other person for loss in respect of physical damage to the property of any person subject, for the avoidance of doubt, to the

¹¹ Embedded Facilities only

requirement that the amount of such liability claimed by such other Party should be mitigated in accordance with general law,

provided further that the liability of any **Party** in respect of all claims for such loss shall not exceed five million pounds sterling (£5,000,000) per incident or series of related incidents.

- 9.2. Nothing in this **Agreement** shall exclude or limit the liability of the **Party Liable** for death or personal injury resulting from the negligence of the **Party Liable** or any of its officers, employees or agents and the **Party Liable** shall indemnify and keep indemnified the other **Party**, its officers, employees or agents, from and against all such and any loss or liability which such other **Party** may suffer or incur by reason of any claim on account of death or personal injury resulting from the negligence of the **Party Liable** or any of its officers, employees or agents.
- 9.3. Subject to Clause 9.2 and save where any provision of this **Agreement** provides for an indemnity or the payment of liquidated damages neither the **Party Liable** nor any of its officers, employees or agents shall in any circumstances whatsoever be liable to the other **Party** for:-
 - 9.3.1. any loss of profit, loss of revenue, loss of use, loss of contract or loss of goodwill; or
 - 9.3.2. any indirect or consequential loss; or
 - 9.3.3. loss resulting from the liability of the other **Party** to any other person howsoever and whensoever arising save as provided in Clause 9.1.2 and Clause 9.2.
- 9.4. Each **Party** acknowledges and agrees that the other **Party** holds the benefit of Clauses 9.1, 9.2 and 9.3 for itself and as trustee and agent for its officers, employees and agents.
- 9.5. The rights and remedies provided by this **Agreement** to the **Parties** are exclusive and not cumulative and exclude and are in place of all substantive (but not procedural) rights or remedies express or implied and provided by common law or statute in respect of the subject matter of this **Agreement**, including without limitation any rights either **Party** may possess in tort which shall include actions brought in negligence and/or nuisance. Accordingly, each of the **Parties** hereby waives to the fullest extent possible all such rights and remedies provided by common law or statute and releases the other **Party**, its officers, employees and agents to the same extent from all duties, liabilities, responsibilities or obligations provided by common law or statute in respect of the matters dealt with in this **Agreement** and undertakes not to enforce any of the same except as expressly provided herein.
- 9.6. For the avoidance of doubt, the **Parties** acknowledge and agree that nothing in this Agreement shall exclude or restrict or otherwise prejudice or affect any of the rights, powers, privileges, remedies, duties and obligations of the **Secretary of State** or the **Authority** under the **Act**, any **Licence** or otherwise howsoever.
- 9.7. Each of Clauses 9.1, 9.2 , 9.3 and 9.4 shall:-

9.7.1. be construed as a separate and severable contract term, and if one or more of such Clauses is held to be invalid, unlawful or otherwise unenforceable the other or others of such -Clauses shall remain in full force and effect and shall continue to bind the **Parties**; and

9.7.2. survive termination of this **Agreement**.

9.8. For the avoidance of doubt, nothing in this Clause 9 shall:

9.8.1. limit the **Company's** payment obligations under this **Agreement**; and/or

9.8.2. prevent or restrict either **Party** enforcing any obligation (including suing for a debt) owed to it under or pursuant to this **Agreement**.

9.9. Each **Party** acknowledges and agrees that the provisions of this Clause 9 have been the subject of discussion and negotiation and are fair and reasonable having regard to the circumstances as at the date of this **Agreement**.

10. CONFIDENTIALITY AND ANNOUNCEMENTS

10.1. Subject to the exceptions provided in Clause 10.3 (and to the extent otherwise expressly permitted by this **Agreement**), neither **Party** shall, at any time, whether before or after the expiry or sooner termination of this **Agreement**, without the prior consent of the other **Party** in writing (such consent not to be unreasonably withheld or delayed), divulge or suffer or permit its officers, employees, agents or contractors to divulge to any person or permit use by any person (other than disclosure to or use by any of its or their respective officers or employees to the extent that such disclosure and use is required to enable such persons properly to carry out their duties in connection with this **Agreement**):-

10.1.1. any of the contents of this **Agreement**;

10.1.2. any commercially confidential information relating to the negotiations concerning the entering into of this **Agreement**;

10.1.3. any commercially confidential information which may come to a **Party's** knowledge in the course of such negotiations; or

10.1.4. any commercially confidential information concerning the operations, contracts, commercial or financial arrangements or affairs of the other **Party**.

10.2. Each **Party** undertakes to use information referred to in Clause 10.1 and disclosed to it by the other **Party** solely for the purposes of this **Agreement** and shall not use it for any other purpose or for the purposes of any third party.

10.3. The restrictions imposed by Clause 10.1 shall not apply to the disclosure of any information:

10.3.1. which now or hereafter comes into the public domain otherwise than as a result of a breach of a confidentiality obligation or which either **Party** can show was in its written records prior to the date of disclosure of the same by the other **Party**, under this

Agreement or which it receives from a third party independently entitled to disclose it;

- 10.3.2. which is required by law or pursuant to the rules of the Electricity Arbitration Association in England and Wales or pursuant to the rules or regulations of the Financial Services Authority to be disclosed to any person who is authorised by law or pursuant to the rules of the Electricity Arbitration Association in England and Wales or pursuant to the rules or regulations of the Financial Services Authority to receive the same;

- 10.3.8. by the **Provider** to a third party who is a party to a power purchase agreement in respect of the electricity generated by the **Facility** and with whom all (or some of) the risks and benefits arising from the **Agreement** will be shared provided such party is subject to confidentiality undertakings which are no less onerous than those to which the **Provider** is subject to under this **Agreement**;
- 10.3.9. by the **Company** to any parent, subsidiary or fellow subsidiary undertaking;
- 10.3.10. by either **Party** to the **Local DNO** (to the extent required to facilitate the provision of the **Static Reactive Power Service**); or
- 10.3.11. required or expressly permitted to be disclosed under the terms of any agreement or arrangement to which both the **Parties** have agreed to be bound.
- 10.4. In this Clause 10, the words “parent undertaking”, “subsidiary undertaking” and “fellow subsidiary undertaking” shall have the meanings as provided in sections 1161 and 1162 of the Companies Act 2006.
- 10.5. Before either **Party** discloses any information in any of the circumstances described in Clauses 10.3.6 to 10.3.8 (other than to its authorised professional advisers), it shall notify the other **Party** of its intention to make such disclosure and (if the disclosing **Party** is the **Provider**) procure the execution and delivery to that **Party** of an undertaking executed by the person to whom the disclosure is proposed to be made being in the same terms mutatis mutandis as the undertakings contained in this Clause 10.

10.6. Public announcements

10.6.1. Subject to Clause 10.6.2, no public announcement or statement regarding the signature, performance or termination of this **Agreement** shall be issued or made unless to the extent legally possible before it is issued or made both the **Parties** have been furnished with a copy of it and have approved it (such approval not to be unreasonably withheld or delayed).

10.6.2. Neither **Party** shall be prohibited from issuing or making any such public announcement or statement if it is necessary to do so in order to comply with any applicable law or the regulations of any recognised stock exchange upon which the share capital of such **Party** is from time to time listed or dealt in.

10.7. Procedures

10.7.1. With respect to the information referred to in Clause 10.1, both **Parties** shall ensure that:-

- (i) such information is disseminated within their respective organisations on a “need to know” basis only;
- (ii) employees, directors, agents, consultants and professional advisers who are in receipt of such information are made fully aware of the **Party’s** obligations of confidence in relation thereto; and
- (iii) any copies of such information, whether in hard copy or computerised form, will clearly identify the information as confidential.

10.8. Termination

Notwithstanding any other provision of this **Agreement**, the provisions of this Clause 10 shall continue to bind a person after termination of this **Agreement**, in whole or in part, for whatever reason.

11. DISCLOSURE OF INFORMATION

11.1. The **Provider** hereby consents to the disclosure and use by the **Company** in such manner or form and at such times as it thinks fit of:

11.1.1. the **Availability Fee, Contracted Parameters** and any other information submitted by the **Provider** in its **Tender Submission**;

11.1.2. the aggregate cost of **Availability Payments** and the aggregate amount of **Annual Availability Reconciliation Payments** made by the **Company** to the **Provider** and all other providers of the **Static Reactive Power Service**;

11.1.3. such data in relation to the provision of **Reactive Power** as the **Company** publishes from time to time in respect of the **Obligatory Reactive Power Service**; and

11.1.4. any other data and other information relating to this **Agreement** and the provision of the **Static Reactive Power Service** (including payments made to the **Provider** hereunder) for the purposes of any or all of the statements published from time to time pursuant to Standard Condition C16 of the **Transmission Licence**.

12. DISPUTE RESOLUTION AND EXPERT DETERMINATION

12.1. Save where expressly stated in this **Agreement** to the contrary and subject to any contrary provision of the **Act** or any **Licence** or the rights, powers, duties and obligations of the **Authority** or the **Secretary of State** under the **Act**, any **Licence** or otherwise howsoever, any dispute or difference of whatever nature howsoever arising under, out of or in connection with this **Agreement** between the **Parties** shall be and is hereby referred to arbitration pursuant to the arbitration rules of the Electricity Arbitration Association in force from time to time. Provided always that prior to any such referral to arbitration:

12.1.1. the **Party** seeking to refer the matter to arbitration shall first serve on the other **Party** a "**Dispute Notice**" describing in reasonable detail the nature of the dispute;

12.1.2. the **Parties** shall thereafter without delay commence and continue to use all reasonable endeavours to resolve the dispute in question promptly, equitably and in a good faith manner and (where commensurate with the nature and extent of the dispute) at a senior officer level; and

12.2. Whatever the nationality, residence or domicile of either **Party** and wherever the dispute or difference or any part thereof arose, the law of England shall be the proper law of any reference to arbitration hereunder and in particular (but not so as to derogate from the generality of the foregoing) the provisions of the Arbitration Act 1996 (notwithstanding anything in Section 108 thereof) shall apply to any such arbitration wherever the same or any part of it shall be conducted.

12.3. Where any provision in this **Agreement** provides, or the **Parties** have agreed, for a dispute or difference between the **Parties** to be referred to an independent expert ("**Expert**") the following provisions shall apply, and neither **Party** shall commence proceedings in any court in respect of or otherwise in connection with such dispute:

12.3.1. the **Expert** shall be jointly appointed by the **Parties** and shall be a person of good repute with the relevant skills and technical experience to be able to make a fair and reasoned determination having regard to the nature of the dispute or difference;

12.3.2. the **Parties** agree that the **Expert** shall act as an expert and not as an arbitrator and shall decide those matters referred to him using his skill, experience and knowledge and with regard to all such other matters as he in his sole discretion considers appropriate;

- 12.3.3. if the **Parties** cannot agree upon the selection of an **Expert**, the **Expert** shall be selected on the application of either **Party** by the President for the Law Society of England and Wales;
- 12.3.4. all references to the **Expert** shall be made in writing by either **Party** with notice to the other being given contemporaneously, and the **Parties** shall promptly supply the **Expert** with such documents and information as he may request when considering any referral;
- 12.3.5. the **Expert** shall be requested to use his best endeavours to give his decision upon the question before him as soon as possible in writing following its referral to him, his decision shall, in the absence of fraud or manifest error, be final and binding upon the Parties;

Payments

Part A – Availability Payment

1. The aggregate **Availability Payment** in respect of calendar month m (“ AP_m ”) is calculated as follows:

$$AP_m = \sum_{j=1}^{month} AF_i * AM_j$$

$\sum_{j=1}^{month}$ is the summation over all **Settlement Periods** j in calendar month m ;

AF_i is the **Availability Fee** for the **Facility** i in **Contract Year** y (expressed in £/**Settlement Period**) for all **Settlement Periods** j ;

AM_j is: 0 in respect of each **Settlement Period** j in which the **Facility** i is **Unavailable**, including any **Settlement Periods** in which the **Facility** i is treated as **Unavailable** in accordance with Clauses 4.2.1, 4.2.3, 4.3, 4.5.2 or 6.4(d)(ii); or otherwise, 1.

2. The **Availability Payment** will be calculated by reference to the **Availability Fee**, subject to indexation as follows:
- 2.1 The **Availability Fee** is specified at [April 2024] values and will be adjusted annually (commencing on [1st April 2025]) to take account of general price inflation. The index used will be the Consumer Prices Index (“**CPI**”) with 2015 = 100 base. The source of the CPI index is the monthly Office for National Statistics Statistical bulletin.
- 2.2 The **Availability Fee** will therefore be increased (or reduced as appropriate) for the period [April 2025] to [March 2026] by the following factor:-

$$\frac{CPI_2}{CPI_1}$$

Where:

CPI_2 is the CPI for [March 2025]

CPI_1 is the CPI for [March 2024]

- 2.3 The relevant price will then be increased (or reduced as appropriate) for the period [April 2026] to March [2027] by the following factor:-

Where:
$$\frac{CPI_3}{CPI_1}$$

CPI_3 is the CPI for [March 2026]

CPI_1 is the CPI for [March 2024]

- 2.4 In subsequent years, indexation will continue in accordance with the above, with always the numerator of the factor representing the CPI of the **Contract Year** under consideration and the denominator of the factor being CPI for [March 2024].
- 2.5 In the event that CPI ceases to be published or is not published in respect of any relevant month or it is not practicable to use CPI because of a change in the method of compilation or some other reason, indexation for the purpose of paragraph 2 of this Schedule 2 shall be calculated by the **Company** using an index agreed by the **Parties** with a view to determining the relevant price after indexation that would be closest to the relevant price after indexation if CPI had continued to be available.

Part B – Annual Availability Reconciliation Payment

The **Annual Availability Reconciliation Payment** payable in respect of **Contract Year y** (“ RP_y ”) is calculated as follows:

$$RP_y = \begin{cases} 0 & \text{if } AA_y \geq TA_y \\ \text{otherwise} \end{cases}$$

$$RP_y = \text{Max} \{ \sum AP_y * (TA_y - AA_y), 0 \}$$

Where:

$\sum AP_y$ is the summation of the **Availability Payments** for each month m in **Contract Year y**;

AA_y is the actual **Availability** of the **Facility**, being the number of **Settlement Periods** in **Contract Year y** in which the **Facility** was **Available** as a proportion of the total number of **Settlement Periods** in **Contract Year y** (expressed as a percentage); and

TA_y is the **Target Availability** of the **Facility** for **Contract Year y**, being ninety percent (90%) (which, for the avoidance of doubt, is a fixed value and shall not be subject to any adjustment to reflect any **Planned Maintenance Periods**).

Testing

Initial Proving Tests are additional to tests or procedures that are required to demonstrate compliance against the relevant sections of the **Grid Code**, **Distribution Code** or other codes as appropriate. All Plant and Equipment must be commissioned and test energised in accordance with **Good Industry Practice**, in coordination with the **Local TO** or **Local DNO** (as applicable) through their normal processes.

The **Initial Proving Tests** will be designed to demonstrate whether the **Facility** can meet the requirements of this **Agreement**. The level and scope of the **Initial Proving Tests** required will depend on the solution and build programme, but will include (without limitation) the following tests:

- Transition between different reactive power operation modes, where appropriate
- Physical testing to demonstrate that the performance of the **Facility** matches the performance submitted in the **Provider's Tender Submission** including (without limitation):
 - Operation in constant reactive power mode
 - Operation at contracted reactive power absorption

Where the **Facility** is connected to the **Local Distribution System**, metering at the relevant **Grid Supply Point(s)** will be used during the **Initial Proving Tests** to verify the effectiveness of the **Facility** set out in the **Provider's Tender Submission**.

The **Company** shall provide a full set of test requirements to the **Provider** no less than one (1) year before the **Scheduled Commercial Operations Date**.

- (a) details of each **Sub-Facility** proposed by the **Provider** shall be included in the form set out in Form A in Schedule 8 (a “**Sub-Facility Proposal**”) and notified to the **Company** by e-mail;
 - (b) each **Sub-Facility Proposal** shall be signed by the **Provider** and countersigned by or on behalf of the owner or operator of the proposed **Sub-Facility** (as the case may be);

 - (d) such proposed **Sub-Facility** is subject to a **Distribution Connection Agreement**;
 - (e) if the verification is completed to the **Company’s** satisfaction (such verification subject always to the **Company’s** rights under paragraph 1.2 below), the applicable **Sub-Facility Proposal** shall be countersigned by or on behalf of the **Company** and returned to the **Provider** by fax or e-mail; and
 - (f) such **Sub-Facility** shall then be approved for the purposes of this Schedule 7 from the date such **Sub-Facility Proposal** is returned by the **Company** to the **Provider** duly countersigned.

- 1.3 Unless otherwise notified in writing by the **Company**, no **Sub-Facility** may be proposed by the **Provider** unless representing not less than (five) 5 MVar of **Reactive Power** capability.

Allocation and re-allocation of **Sub-Facilities**

1.4 The **Provider** may:

- (a) allocate to an **Aggregated Facility** one or more **Sub-Facilities** which are at that time **UnAllocated**; and
- (b) re-allocate to that **Aggregated Facility** one or more **Sub-Facilities** which are at that time already **Allocated** to another aggregated facility (being a facility awarded a contract pursuant to the **Tender** with terms in the same form as this **Agreement**),

in each case in accordance with the procedure set out in this Schedule 7, provided that in the case of allocation and re-allocation of one or more **Sub-Facilities** to an **Aggregated Facility** and where that **Aggregated Facility** is a **BM Unit**, such allocation and re-allocation is only permitted where the **Sub-Facilities** comprising or which are to comprise the **Aggregated Facility** are within the same **GSP Group**.

1.5 Any such allocation or re-allocation of **Sub-Facilities** to an **Aggregated Facility** shall be made by fax or e-mail by the **Provider** to the **Company** in the form set out in Form B in Schedule 8 (an "**Allocation Notification**") in accordance with paragraph 1.6.

- (d) the **Company** is satisfied (subject to the **Provider** submitting evidence as the **Company** may reasonably require) that: (i) the **Provider** has duly consulted with the **Local DNO** as to the impact to the **Local Distribution System**, the **Local DNO** can attest to the effectiveness of the allocation or re-allocation of such **Sub-Facility** to absorb **Reactive Power** from the **NETS** (as more particularly described in the **ITT**), and that the **Local DNO** has no objections to such proposal; and (ii) such **Sub-Facilities** continue to be bound by the terms of a **Distribution Connection Agreement**;
- (e) the **Company** is satisfied as to the effectiveness of the allocation of such **Sub-Facility** to absorb **Reactive Power** from the **NETS** (as more particularly

described in the **ITT**), and the **Company** may (at its discretion) require an **Initial Proving Test** to be carried out;

- (f) where re-allocating one or more **Sub-Facilities** to another aggregated facility (being a facility awarded a contract pursuant to the **Tender** with terms in the same form as this **Agreement**):
 - (i) the capability of that the **Aggregated Facility** and also such other aggregated facility remains, in each case, at the same level as the **Contracted Absorption Capacity**; and
