CMP212 Relevant Interruptions Claim Report

Purpose of Relevant Interruptions Claims Report

As a result of the implementation of '**CMP212: Process for setting minimum limits for claims for Relevant Interruptions**', it was agreed that the Code Administrator would produce a report to the CUSC Panel detailing information in respect of the Relevant Interruptions received during each reporting period.

This report covers claims received between 1 July 2021 to 30 September 2021. These reports will be produced quarterly and submitted to the CUSC Modifications Panel.
