

CUSC Panel – Generic Activities

CUSC Panel – Standard Modification

- Prior to submitting their final proposal to the CUSC Panel for consideration on Papers Day, Proposers are encouraged to discuss their modification proposals with;
 - Code Administrator;
 - Pre Panel industry forums such as Transmission Charging Methodology Forum (TCMF) and CUSC Issues Steering Group (CISG);
 - National Grid;
 - Panel members.
- Papers will be issued to the Panel at least 5 days prior to the Panel.
- Any papers received after Panel Papers day will be deferred to the Panel meeting in the following month unless the Proposer requests Urgency.

CUSC Panel – Urgent Modifications

- For Urgent Modifications, dependent on the timescales requested by the Proposer, the CUSC Panel Chair will determine when the Panel will meet.
- This may result in a Special CUSC Panel meeting being arranged.
- At the Panel meeting, the Panel can either;
 - Take a view on the urgency of the Modification (prior to the Panel Chair writing to the Authority with the Panel recommendation on urgency), or;
 - The Panel can take a view on both urgency and the future development of the Modification.
