

CMP268 'Recognition of sharing by Conventional Carbon plant of Not-Shared Year-Round circuits'

CUSC Panel –31st March 2017
Code Governance Team

New timetable proposed – No Workgroup Consultation

- Workgroup propose a 10 day Code Administrator Consultation and no Workgroup Consultation and timetable amended to reflect this
- Aiming to present Workgroup Report back to CUSC Panel in April 2017
- Risk with availability of Workgroup members over Easter that this will be a late paper or a Special CUSC Panel will need to be formed
- Code Administrator to update CUSC Panel following meetings on the 6th and 7th of April on the progress of the Report
- The amount of work required will depend on send back discussions (and whether WACMs raised)
