Standard Code Administrator Consultation questions		
1	Do you believe that the CMP380 Original Proposal better facilitates the Applicable Objectives?	Yes, positive against objective d) as described by the Proposer
2	Do you support the proposed implementation approach?	Yes
3	Do you have any other comments?	<p>For ease of reading, Section 7 7.3.3 (a) could read “Where, in conducting an arbitration under this Section 7, an arbitrator or panel of arbitrators finds themselves <del>or itself</del> considering a Charging Dispute (whether or not forming part of an Other Dispute), they <del>or it</del> shall have no jurisdiction” as the plural could indicate the arbitrators forming the panel and is used in that way in 7.4.3 “Any arbitrator or panel of arbitrators ... such issues as are referred to them”</p> <p>The pdf of Section 8 also appeared to have 8.22.10 (c) highlighted – presumably accidental and unrelated to this Mod.</p>
