For reference the Applicable CUSC (non-charging) Objectives are:

- a) *The efficient discharge by the Licensee of the obligations imposed on it by the Act and the Transmission Licence;*
- b) *Facilitating effective competition in the generation and supply of electricity, and (so far as consistent therewith) facilitating such competition in the sale, distribution and purchase of electricity;*
- c) *Compliance with the Electricity Regulation and any relevant legally binding decision of the European Commission and/or the Agency *; and*
- d) *Promoting efficiency in the implementation and administration of the CUSC arrangements.*

**Objective (c) refers specifically to European Regulation 2009/714/EC. Reference to the Agency is to the Agency for the Cooperation of Energy Regulators (ACER).*

Please express your views in the right-hand side of the table below, including your rationale.

Standard Code Administrator Consultation questions		
1	Do you believe that the CMP380 Original Proposal better facilitates the Applicable Objectives?	Yes, we believe that the Original Proposal better supports objective d of the CUSC Objectives. The Original Proposal will achieve this by removing any gender bias, inequality and discrimination within the code and promote equality and diversity.
2	Do you support the proposed implementation approach?	Yes
3	Do you have any other comments?	The proposal will ensure consistency with the Grid Code modification (GC0153).
