182	27 January 2023	11768	Code Admin	Consumer Scotland has inherited some of the statutory powers of Citizens Advice Scotland. Review the wording in the CUSC and bring forward modifications (if required) to reflect this change.	Ongoing – Still not certain if changes are required and for efficiency, if a Modification is required, it will be included in a wider non-Section 14 housekeeping/minor legal text change (timing to be advised).	26/5/23	Ongoing
184	26 May 2023	11850	Ofgem	a) Authority to present an update on the Energy Code Review (ECR) to a future CUSC Panel. b) Confirm if the workshops have been recorded and circulate link to Panel members. c) Confirm if any additional workshops will be held, in addition to those already mentioned.	a) Ofgem do not anticipate coming to Panel separately to present in the immediate future b) Workshops have not been recorded. c) TBC by Ofgem Rep	30/06/23	Ongoing
185	26 May 2023	11887	KTL	Confirm whether a CUSC modification will be raised to allow the use of non-firm agreements for energy storage projects.	This is working within current policy e.g., no CUSC change. KTL has had a meeting with some CUSC panel members to listen to their concerns regarding connections change. Next steps are to set up a TCMF sub-group.	30/06/23	Ongoing
