

Special Grid Code Review Headline Report – 14 July 2023

Grid Code Review Panel to complete GC0161 Workgroup Report Process

The Headline Report is produced after every Panel and aims to provide an overview of the key decisions made. Minutes for this meeting will be published separately.

Workgroup Reports

The following Workgroup Report was presented to the Panel:

GC0161: Changes to OC6 to allow for site protection

The modification aims through minor alterations to OC6 to allow sites to be protected in the event of an operational situation where there is a need to reduce National Demand.

The Panel agreed that the Terms of Reference have been met and agreed for GC0161 to proceed to Code Administrator Consultation. The Code Administrator Consultation will be published on 17 July 2023 and this will close on 17 August 2023.
