

Headline Report – 30 August 2023

System Operator Transmission Owner Code (STC) Panel

The STC Panel Headline Report is produced after every Panel and aims to provide an overview of the key decisions made. Minutes for this meeting will be published separately.

Approval of Panel Minutes

The meeting minutes from the Panel on 26 July 2023 were approved and these have been uploaded to our website.

New Modifications

The following new Modification Proposal was presented to the Panel:

CM092 – Schedule 9: TO Construction Terms Update.

The proposer withdrew section 4 of proposal after discussions with ESO legal team and will submit a separate proposal for this section. The remaining solution was agreed by panel and a Code Administration Consultation will take place.

CM092 documentation can be found [here](#).

New / Pending Authority Decisions

Ofgem provided an update on Modifications that have been decided upon and are currently awaiting their decision since the last STC Panel.

Awaiting Decisions

Modification	What this seeks to achieve	Expected Decision Date
CM078	Make changes to the System Operator Transmission Owner Code to reflect CUSC modification CMP328 .	No update on decision this mod relates to CMP328 - Connection Triggering Distribution Impact Assessment.
