

A landscape photograph featuring a valley with a river and mountains in the background. The sky is filled with dramatic, golden light trails from the sun. In the foreground, several bright, glowing yellow and orange light trails curve across the grassy field, suggesting a long-exposure shot of light trails or perhaps a metaphorical path. The overall mood is serene and futuristic.

System Monitoring (DSM/ASM) Questionnaire

October 2023

System Monitoring (DSM/ASM) Questionnaire

- ESO is in the process to design a **new system** to seamlessly access Dynamic System Monitoring (DSM) data and Ancillary Services Business Monitoring (ASM) data from generation modules and interconnectors in England, Wales and Scotland.
- The data will be used to **carry out post fault analysis, manage network risk** and **verify compliance**.
- ESO would appreciate opinions from you before implementing the project. A questionnaire has been sent out to all grid code users.

- If you have not received it yet, please click [here](#) to complete the questionnaire or contact us to update your contact details: box.SystemMonitoring@nationalgrideso.com

*Your feedback will remain confidential.
