Prerequisites must be completed prior to participation in the event.

In consideration of the opportunity to participate in on-line events ("On-Line Events") held and conducted by the company sponsoring this On-Line Event ("Sponsor") on the web site (this "Site") hosted by Ariba, Inc. ("Site Owner"), your company agrees to the following terms and conditions ("Bidder Agreement")

- Bids.** If you are invited to participate in the On-Line Event, Sponsor reserves the right to amend, modify or withdraw this On-Line Event. Sponsor reserves the right to accept or reject all or part of your proposal. Submission of a bid does not create a business relationship with Sponsor. By submitting a bid, you are making a firm offer which Sponsor may accept to form a contract, subject to section 2 below. Sponsor is not liable for any costs incurred by you in preparation, presentation, or any other aspect of Participant's bid.
- Price Quotes.** Except to the extent Sponsor allows a non-binding bid, all Bids which Participant submits through the On-Line Events are legally valid quotations without qualification, except for data entry errors.
- Procedures and Rules.** Participant further agrees to be bound by the procedures and rules established by the Site and Sponsor.
- Confidentiality.** Participant shall keep all user names and passwords, the On-Line Event content, other confidential materials provided by the Site and/or Sponsor, and all bids provided by You or another participating organization in confidence.
- Bids through Site only.** Participant agrees to submit bids only through the on-line bidding mechanism supplied by the Site and not to submit bids via any other mechanism including, but not limited to, post, courier, fax, E-mail, or orally.
- Ethical Conduct.** All parties will prohibit unethical behavior and are expected to notify the Site Owner by contacting the appropriate project team if they witness practices that are counter-productive to the fair operation of the On-Line Event.
- Survival.** The terms and conditions of this Bidder Agreement shall survive completion of the On-Line Event.
- Contract Document Retention.** Participant understands and agrees to the following: (a) if Participant submits a bid in connection with this RFP, Participant will (i) download and review all documentation included in the event (such documentation to be downloaded from the Ariba Bid Events), and (ii) comply with all requirements and terms set forth in such documentation in Participant's bid; (b) if Participant is selected for an award as a result of this RFP, Participant will (i) download and review all documentation explicitly provided in writing by National Grid, the documents contained in this RFP will be considered "Contract Documents" under the Agreement that will be executed by Participant and National Grid; and (c) Participant will retain a copy of the downloaded documents and RFP along with the Agreement and all other Contract Documents in accordance with the terms and conditions of the Agreement, provided however Participant will retain such documents for a minimum of 180 days following the expiration or termination of the Agreement.
