

Headline Report – 09 February 2024

Special Connection and Use of System Code (CUSC) Panel

The Headline Report is produced after every Panel and aims to provide an overview of the key decisions made. Minutes for this meeting will be published separately.

Workgroup Reports

The following Workgroup Report was presented to the Panel:

CMP427 ‘Update to the Transmission Connection Application Process for Onshore Applicants’

This modification proposes that a Letter of Authority (LoA) should be required for new Onshore Transmission Connection Applications.

The Panel agreed that the Terms of Reference have been met and agreed for CMP427 to proceed to Code Administrator Consultation. The Code Administrator Consultation will be published on 12 February 2024 and this will close on 16 February 2024.
