

Annex 10: Proposed Legal Text Changes Post CAC

Definition consulted on as part of Code Administrator Consultation:

Relevant Transmission Licensee	Means National Grid Electricity Transmission plc (NGET) in its Transmission Area or SP Transmission plc (SPT) in its Transmission Area or <u>any Competitively Appointed Transmission Licensee with Plant and Apparatus in its Transmission Area</u> or Scottish Hydro-Electric Transmission Ltd (SHETL) in its Transmission Area or any Offshore Transmission Licensee in its Transmission Area .
---------------------------------------	---

Post Code Administrator Consultation, a respondent suggested that the definition should be amended as follows:

Relevant Transmission Licensee	Means National Grid Electricity Transmission plc (NGET) in its Transmission Area or SP Transmission plc (SPT) in its Transmission Area or Scottish Hydro-Electric Transmission Ltd (SHETL) in its Transmission Area or any Offshore Transmission Licensee in its Transmission Area <u>or any Competitively Appointed Transmission Licensee with Plant and Apparatus located in NGET's, SPT's or SHETL's Transmission Area as <u>appropriate</u>.</u>
---------------------------------------	--
