Reference: CM062 Self Governance Statement

Dear Roberta,

This is the STC Modifications Panel's Self-governance Statement to the Authority for STC Modification Proposal CM062. National Grid has prepared this Self-governance Statement on behalf of the STC Modifications Panel and submits it to you in accordance with the STC.

On 14th December 2016 the STC Modifications Panel considered CM062 and confirmed unanimously that it meets the Self-governance criteria.

As such, CM062 is unlikely to discriminate between different classes of STC Parties and is unlikely to have a material effect on:

- i) Existing or future electricity customers;
- ii) Competition in the generation, distribution, or supply of electricity or any commercial activities connected with the generation, distribution or supply of electricity,
- iii) The operation of the National Electricity Transmission System
- iv) Matters relating to sustainable development, safety or security of supply, or the management of market or network emergencies
- v) The STC's governance procedures or the STC's modification procedures

The proposed timetable for the progression of CM062 is as follows:

14 December 2016	Self-Governance Modification Proposal issued to the STC Panel
14 December 2016	Panel agree that CM062 meets Self -Governance criteria.
21 December 2016	Issue Industry Consultation for 10 working days
9 January 2017	Industry Consultation closes
10 January 2017	Issue Draft Modification Report to industry and the Authority for 5 working days.
18 January 2017	Draft Final Modification Report issued to the STC Panel
25 January 2017	Panel determination vote
25 January 2017	Appeal window commences for 15 working days
15 February 2017	Appeal window closes

17 February 2017	Implementation
