4 days

Location:

Ektron Europe Limited
3rd Floor
1, Bell Street,
Maidenhead, SL6 1BU
United Kingdom

Phone: +44 (0)1628 564600

Hours: Course begins at 10am on the first day, all subsequent days the course
start time is 9.30am and finish approximately 4.30pm.

Description:

This is an interactive, results-based course which is designed to provide CMS Web Developers with the information they need to build up their knowledge for *creating and maintaining* websites using the Ektron CMS400.net CMS.

NOTE: This course has been designed to show Website Developers how to create CMS templates and how to embed the functionality listed below into a website project. Developers attending the course will learn how to embed Ektron controls into their web pages.

Objectives:

After completing the Ektron CMS Developer Training, students will be able to:

- Implement best practices for deploying an Ektron CMS400.NET driven website
- Understand the operation and administration of a CMS400.NET website
- Customize CMS400.NET to suit the needs of the site Administrators and Users
- Extend CMS400.NET for increased functionality

Who should attend?

This is a course for website Developers.

Prerequisites:

Participants should possess the following skills:

- Experience with web developing using Microsoft .NET Visual Studio or Visual Web

Training Cancellation Policy

Customers cancelling a registration or changing course dates for a course held at an Ektron Customer Education Centre must do so at least 10 business days in advance in order to avoid a 50% cancellation fee/ 5 business days in advance to avoid a 100% cancellation fee. Substitutions can be made without penalty up until the first day of the course. Ektron reserves the right to cancel a course at least 5 business days in advance of the course commencing. In the event of unforeseen circumstances, an alternative will be offered, and every effort will be made to reschedule the course as soon as possible.

If you wish to cancel onsite training within 15 days of a scheduled course, a £1,500 cancellation fee will be invoiced and not reimbursed. If there are non-refundable expenses incurred by Ektron on your behalf and they account for more than £1,500, you are obligated to pay the additional cost. Any remaining balance of the training fees will be left as credit on your account.
