Dear []

SHORT TERM OPERATING RESERVE: TR [] TENDER ACCEPTANCE / REJECTION

National Grid Electricity Transmission plc is writing to advise you of the status of your STOR Tender(s) submitted in relation to Tender Round [], following conclusion of the assessment process:

1. Where applicable, the attached Appendix 1 details your STOR Tender(s) which have been accepted or rejected, including the applicable Tendered BM Unit(s) or Tendered Site(s), tendered season(s), and other information required to be specified by subparagraph 1.4.8 of the Short Term Operating Reserve Standard Contract Terms. Please therefore treat this letter as constituting a STOR Tender Acceptance in relation to each such STOR Tender (if any), and where applicable note that a STOR Contract for each such STOR Tender is hereby created with the contract number specified in Appendix 1.
2. Where applicable, the attached Appendix 2 details your STOR Runway Tenders which have been accepted or rejected, including the applicable Tendered Sites, and in respect thereof please treat this letter as constituting a Tender Acceptance or Rejection in relation to each such STOR Runway Tender.

The Market Report for Tender Round [] will be published on [Date].

If you have any queries on the Tender Round [] results, then please contact [STOR Tender Lead] on 01926 ***** or at [STOR Tender Lead Email Address]
