# Panel Recommendations and decisions

---

- Panel is asked to:
  - Recommend whether GC0103 should be treated as an Urgent Modification or not with reasoning based on assessment against the urgency criteria
    - Including a timetable recommended by the Panel
  - Decide whether the defect needs assessment by a Workgroup
    - Set Terms of Reference if Workgroup required
    - Decide whether a Workgroup Consultation should be carried out

# Panel Recommendations and decisions

---

- Urgency criteria:
  - Be linked to an imminent issue or a current issue that if not urgently addressed may cause:
    - A. A significant commercial impact on parties, consumers or other stakeholder(s); or
    - B. A significant impact on the safety and security of the electricity and/or gas systems; or
    - C. A party to be in breach of any relevant legal requirements
