

Headline Report – June 2017

1 Introduction

The NETS SQSS Review Panel Headline Report is produced after every NETS SQSS Review Panel and aims to provide an overview of the key issues considered.

2 Approval of Minutes

The Panel approved the following:

- a) **February 2017** minutes for publication to the web.

3 Review of Actions

- a) **26.1** – Minutes to be uploaded and the action closed.
- b) **26.6** – Initial update provided and the action kept open for a further update at the next Panel.
- c) **26.8** – The action was kept open as the Ofgem representative agreed to confirm their position on GSR014.
- d) **27.2** – Agreed to update the Modification Register and circulate for each meeting.

4 Discussion Items

The Panel discussed and provided updates on the following:

- a) **Chapter 7 Offshore Review Workshop** – Dong Energy and National Grid representatives provided an update on the initial discussions on the Offshore Review and details of the planned Workshop later in June.

5 Modification Proposals

- a) **GSR012** – Summary of progress was provided and confirmation that the draft Workgroup Report is being updated.
- b) **GSR014** – The Panel and Proposer agreed that they were going to withdraw this Modification. The Ofgem representative agreed to confirm their position (as per Action 26.8).
- c) **GSR016** – The Workgroup Report is currently being drafted.
- d) **GSR022** – Following the initial Workgroup, analysis is being completed and will be fed into the next Workgroup.

6 Authority Decisions

- a) **GSR018** – Approved by the Authority on the 7th March 2017, still awaiting a timescale for the licence change to be completed.

7 Standing Items

- a) **Modification Register** – Issued to the Panel.

8 AOB

- a) **Implementation of Approved Modifications** – There was a discussion about the information which needs to be included in communications about implementations of approved Modifications.
