

Updated Actions for June Panel 2017

SQSS	Ref	Background	Owner	Action	Current Position	Due by	Status
Feb 17	26.1	February 2017 Minutes	TH	Upload Minutes onto National Grid website after review in April.	Ongoing action	12 April 2017	Open
Dec 16	26.6	TSOG	HH	HH to review the best place to capture the TSOG requirements	Update to be given at Panel.	12 April 2017	Open
Dec 16	26.7	GSR012	BA/RP	To discuss GSR012 in Storage and consider the compatibility with the forthcoming GCRP/DCRP WG on Storage and send invite for meeting	Discussion of GSR012 'Treatment of Interconnectors' is out of scope for the Storage WG.	12 April 2017	Closed
Dec 16	26.8	GSR014	TH	Track progress of this modification and update Panel.	The Modification was issued for Industry Consultation. We are in discussion with the Authority to provide their view on the Modification.	12 April 2017	Open
Dec 16	26.9	GSR017	BA	A paper to be submitted to the Panel as to why this modification is no longer being progressed.	Modification has been withdrawn	8 February 2017	Closed
Dec 16	27.0	Cross codes	RP	BA to present at CMP268 & CMP271/274 in relation to work under GSR012 & GSR022. Also, CUSC representative to present at GSR012 & GSR022 workgroups on CUSC party views of scaling factors.	CMP271/274 is out of scope and so no cross code sessions are required. One for CMP268 has been arranged for 20 February 2017.	8 February 2017	Closed
Dec 16	27.1	GSR019	RP	RP to speak to DONG and relay the view held at Panel meeting and report back any further comments.	This Modification will either be absorbed in the work around the Chapter 7 Review or withdrawn.	12 April 2017	Closed
Feb 17	27.2	Modification Register	TH	To be re-updated and circulated to the Panel for each meeting	Ongoing action	12 April 2017	Open
Feb 17	27.3	Progress of Modifications	TH	To speak with Ofgem for an update on the progress of all current Modifications.	Panel pre-call held on 5 June 2017	12 April 2017	Closed
